The security interest granted hereby is to secure payment of any and all liabilities or obligations of Debtor to the Secured Party, matured or unmatured, direct or indirect, absolute or contingent, heretofore arising, now existing or hereafter arising, and whether under this Agreement or under any other writing or guaranty between Debtor and Secured Party (all hereinafter called the "obligations" and/or the "liabilities").

1.2 **Joint and Several Liability.** In the event there is more than one Debtor, all obligations shall be considered as joint and several obligations of all Debtors regardless of the source of Collateral or the particular Debtor with which the obligation originated.

2.0 WARRANTIES AND COVENANTS OF DEBTOR

Debtor hereby represents, warrants and covenants that:

2.1 **Corporate Status and Authority.** If Debtor is a corporation, (i) Debtor is duly organized, validly existing and in good standing under the laws of the state of its incorporation and is qualified to do business in all states and countries in which such qualification is necessary; (ii) Debtor has the lawful corporate power and authority to own its assets and to conduct the business in which it is now engaged; and to execute, deliver and comply with the provisions of this Agreement, the Note of even date herewith (the "Note") and any related documents to which Debtor is party; (iii) the execution of and delivery of this Agreement, the Note and any related documents to which Debtor is party have been duly authorized by all necessary corporate action; (iv) no authorization, consent, approval, license or exemption of, or filing or registration with, any or all of the shareholders of Debtor or any public authority, governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, was, is or will be necessary to the valid execution, delivery, performance or full enforceability of, this Agreement, the Note, and any related documents, other than any filings required to perfect under applicable law the security interest(s) granted to the Secured Party pursuant hereto.

2.2 **Merger; Transfer of Assets.** Debtor will not consolidate or merge with or into any other entity, liquidate or dissolve, distribute, sell, lease, transfer or dispose of all of its properties or assets, or any substantial portion thereof other than in the ordinary course of its business, unless the Secured Party shall give its prior written consent to any such event, and the surviving, or successor entity or the transferee of such assets, as the case may be, shall assume, by a written instrument which is legal, valid and enforceable against such surviving or successor corporation or transferee, all of the obligations of Debtor to Secured Party or any affiliate of Secured Party.

2.3 **No Violation of Covenants or Laws.** Debtor is not party to any contract or agreement or subject to any charter or other corporate restriction which materially and adversely affects its ability to perform its obligations under this Agreement, the Note and any related documents. The execution, delivery and compliance with the provisions of this Agreement, the Note and any related documents has not, does not and will not (i) violate any provision of law, or (ii) conflict with or result in a breach of any order, writ, injunction, or decree of any court or governmental authority, domestic or foreign, or the corporate charter or the certificate of Incorporation or By-laws of Debtor, or (iii) constitute or result in a default under any agreement, bond, note or indenture to which Debtor is party or by which it is bound or to which any of its property is subject, or (iv) result in the imposition of any lien, charge or encumbrance of any nature whatsoever upon any of Debtor's properties or assets, except for any liens or security interests created pursuant to this Agreement, the Note or any related documents.

2.4 **Accurate Information.** All financial information submitted to the Secured Party in regard to Debtor or any shareholder, officer or director thereof, or any guarantor of any of the obligations thereof, was prepared in accordance with generally accepted accounting principles, consistently applied, and fairly and accurately depicts the financial position and results of operations of Debtor or such other person, and as of the respective dates or for the respective periods, to which such information pertains. 2.6 **No Breach of Other Agreements; Compliance with Applicable Laws.** Debtor is not in breach of or in default under any loan

'agreement, indenture, bond, note or other evidence of indebtedness, capital Note and Security Agreement or any other material agreement or any order, lien, injunction or decree of any court or any order, statute, rule, regulation or demand of any Federal, state, municipal or other governmental agency. The operations of Debtor comply with all laws, ordinances and governmental rules and regulations applicable to them. Notwithstanding any presumption of applicable law, and irrespective of any manner of attachment, the Collateral shall not be deemed real property but shall retain its character as personal property. However, Debtor will at the option of Secured Party furnish the latter with a waiver or waivers in recordable form, signed by all persons having an interest in the real estate, of any interest in the Collateral which is or might be deemed to be prior to Secured Party's interest.

Debtor will defend the Collateral against all claims and demands of all persons at any time claiming the same or any interest therein. Except as previously disclosed in writing to Secured Party, no financing statement covering any Collateral or any proceeds thereof is on file in any public office. At the request of Secured Party, Debtor will execute, acknowledge and deliver to Secured Party in recordable or fileable form, any document or instrument required by Secured Party to further the purposes of this Agreement, or to perfect its interest in the Collateral or to maintain such perfected interest in full force and effect, including (without limitation) any fixture filings and financing statements and any amendments and continuation statements thereto pursuant to the Uniform Commercial Code, in form satisfactory to Secured Party, and will pay the cost of filing the same or filing or recording this Agreement in all public offices wherever filing or recording is deemed by Secured Party to be necessary or desirable; Secured Party is hereby given a power of attorney and appointed Debtor's attorney-in-fact to sign Debtor's name on, and to execute any such document or instrument on Debtor's behalf; Debtor hereby agrees that this Agreement shall be and constitute a financing statement for purposes of the Uniform Commercial Code.

Debtor will have and maintain insurance from financially sound carriers at all times with respect to all Collateral against risks of fire (including so-called extended coverage), theft, collision, flood, earthquake, "mysterious disappearance" and such other risks as Secured Party may require, containing such terms, in such form, for such periods and written by such companies as may be satisfactory to Secured Party; each insurance policy shall name Secured Party as loss payee and shall be payable to Secured Party and Debtor as their interests may appear; all policies of insurance shall provide for ten days' written minimum cancellation notice to Secured Party; Debtor shall furnish Secured Party with certificates or other evidence satisfactory to Secured Party of compliance with the foregoing insurance provisions; and Secured Party is hereby granted a power of attorney by Debtor and appointed Debtor's attorney-in-fact for purposes of obtaining, adjusting, settling and canceling such insurance and endorsing any drafts in connection therewith.

2.14 Adverse Liens and Use. Debtor will keep the Collateral free from any adverse lien, security interest or encumbrance and in good working order, condition and repair and will not waste or destroy the Collateral or any part thereof; Debtor will keep the Collateral appropriately protected from the elements, and will furnish all required parts and servicing (including any contract service necessary to maintain the benefit of any warranty of the manufacturer); Debtor will not use the Collateral in violation of any statute, ordinance, law, regulation or order; and Secured Party may examine and inspect the Collateral and any and all books and records of Debtor during business hours at any time, wherever located; such right of inspection shall include the right to copy, and make extracts from Debtor's books and records and to converse with Debtor's officers, employees and agents, and Debtor's independent accountants.

Such financial statements shall be prepared by Debtor's independent certified accountants and shall be prepared at least as a review by such accountants and, if prepared as an audit,

'shall be certified by such accountants. Debtor shall also furnish Secured Party with any other financial information deemed necessary by Secured Party.
